### 3. APPLICATION OF THIS POLICY

This policy applies throughout the election period for a general election. For the purposes of the Local Government Elections of November 2022, the policy commences on 6 September 2022 [or such earlier date as the Council resolves] and ends at the conclusion of the election, when results have been declared.

This policy applies to:

- 3.1 The council; and
- 3.2 Council staff

### 4. PROHIBITION ON DESIGNATED DECISIONS

The Council is prohibited from making a designated decision during an election period. A decision of the Council includes a decision of:

- 4.1 A committee of Council; and
- 4.2 A delegate of Council.

### 5. PROHIBITION ON THE USE OF COUNCIL RESOURCES

Council resources must not be used for the advantage of a particular candidate or group of candidates.

For clarity, neither the Local Government (Elections) Act 1999 nor this Caretaker Policy prohibits a council providing resources to all members of the public, which incidentally includes all candidates for election.

The following council resources must not be used for the advantage of a particular candidate or group of candidates and may only be used by council members, where necessary, in the performance of their ordinary duties as a council member:

- 5.1 Mobile phones.
- 5.2 Council vehicles.

- 5.3 Council-provided landline phones, computers and other office equipment beyond that provided to members of the public (e.g., in a public library).
- 5.4 Council-provided business cards.
- 5.5 Requests to council employees to perform tasks which would confer an advantage on a candidate or group of candidates.
- 5.6 The ability to issue invitations to council events.
- 5.7 Council travel arrangements (e.g., access to council-negotiated rates for flights, accommodation or hire cars).
- 5.8 Access to areas that members of the public cannot access, including areas within the property of third parties (e.g., a 'Mayor's Parlour' at a suburban football oval).
- 5.9 Councils produced promotional brochures and documents.

Despite the paragraph above, Council may resolve for the use of Council resources that may be used by a candidate for election on an equal basis.

## 6. CONSEQUENCE OF CONTRAVENING THIS POLICY

A designated decision made by Council during an election period is invalid, except where an exemption has been granted by the Minister. (Section 91A (5) Local Government (Elections) Act 1999).

Any person who suffers loss or damage as a result of acting in good faith on a designated decision made by the Council in contravention of this policy is entitled to compensation from the Council for that loss or damage. (Section 91A (6) Local Government (Elections) Act 1999).

## 7. APPLICATION FOR EXEMPTION

If the Council considers that it is faced with extraordinary circumstances which require the making of a designated decision during an election period, the Council may apply in writing to the Minister for an exemption to enable the making of a designated decision that would otherwise be invalid under section 91A of the Local Government (Elections) Act 1999 and this policy. (Section 91A (3) Local Government (Elections) Act 1999).

If the Minister grants an exemption to enable the making of a designated decision that would otherwise be invalid under section 91A of the Local Government (Elections) Act 1999 and this policy, then the Council and Council staff will comply with any conditions or limitations that the Minister imposes on the exemption. (Section 91A (4) Local Government (Elections) Act 1999).
