7. REPORTING FRAUD AND CORRUPTION

7.1 Reports by Employees or Council Members to the OPI

Any Employee or Council Member who has or acquires knowledge of actual or suspected corruption on public administration must report this information to the OPI as soon as practicable.

	<h1>Fraud and Corruption Prevention Policy</h1>		Version No:	2.1

Where an Employee or Council Member suspects corruption in public administration, that suspicion must be reasonably held. Section 6 of the Directions and Guidelines address what is required to form a reasonable suspicion. In this regard it is to be noted that suspicion is a state of mind that is distinct from a belief.

It is not necessary for the Employee or Council Member to believe the relevant conduct amounts to corruption in public administration. All that is required to make a report to the OPI is a reasonable suspicion based upon a proper consideration of the available facts (i.e. there must be a factual basis for the suspicion).

Reports to the OPI by an Employee or Council Member must be made in accordance with the reporting obligations contained in section 11 of the Directions and Guidelines. In particular, the following information must be included in the report:

- a) The Employee or Council Member's identity; and
- b) The identity of the Council; and
- c) The Employee's or Council Member's Council address, telephone number and email.

In addition, the report must:

- a) Identify the matter by reference to the conduct that the Employee or Council Member suspects is corruption in public administration; and
- b) Expressly identify that the Employee or Council Member suspects the conduct to be corruption; and
- c) Identify any public officer or other person suspected of having engaged in the conduct; and
- d) Be accompanied by:
 - i. A statement as to how the Employee or Council Member became aware of the conduct; and
 - ii. The evidence known to the Employee or Council Member including any documentation relevant to the conduct; and
 - iii. A list of those persons who the Employee or Council Member believes can give evidence relevant to the conduct.

A report to the OPI by an Employee or Council Member must be made on the online report form available at www.icac.sa.gov.au.

Where the Employee's or Council Member's knowledge of corruption has arisen due to a complaint/report he/she has received from another person (the informant), the Employee or Council Member should not include the informant's details in the report to OPI if:

- a) The report/complaint was made under the *Whistleblowers Protection Act 1993*; and
- b) The informant has not consented to the informant's identity being divulged; and
- c) It is not necessary to divulge the identity of the informant to ensure that the matters to which the report to the OPI relates are properly investigated.

Nothing in this section is intended to prevent an Employee or Council Member from reporting corruption in public administration internally to a Responsible Officer in accordance with the Council's Whistleblower Protection policy. Where an internal report relating to corruption in public administration is received by another under the Whistleblowers Protection policy the Responsible Officer must report the matter to the OPI in accordance with this Policy.

7.2 Reports by the Council to the OPI

Where the Council (i.e. Council Members collectively) has or acquires knowledge of actual or suspected corruption in public administration it must report this information to the OPI as soon as practicable after the Council becomes aware of the matter. The Chief Executive Officer is responsible for preparing a report to the OPI on behalf of the Council for these purposes. The Chief Executive Officer must prepare the report immediately upon receiving direction from the Council (such as via the Mayor) to do so.

Any suspicion the Council has regarding conduct that constitutes corruption in public administration must be reasonably held. Section 6 of the Directions and Guidelines address what is required to form a reasonable suspicion. In this regard it is not necessary for the Council to believe the relevant conduct amounts to corruption in public administration. All that is required to make a report to the OPI is a reasonable suspicion based upon a proper consideration of the available facts (i.e. there must be a factual basis for the suspicion).

The report must:

- a) Identify the matter by reference to the conduct that the Council suspects is corruption; and
- b) Expressly identify that the Council suspects the conduct to be corruption in public administration; and
- c) Identify any public officer or other person suspected of having engaged in the conduct; and
- d) Be accompanied by:
 - i. A statement as to how Council became aware of the conduct; and
 - ii. The evidence known to the Council including any documentation relevant to the conduct; and
 - iii. A list of those persons who the Council believes can give evidence relevant to the conduct.

A report to the OPI by the Chief Executive Officer on behalf of the Council must be made on the online report form available at www.icac.sa.gov.au.

Where the Council's knowledge of corruption has arisen due to a complaint/report it received from another person (the informant), the Chief Executive Officer should not include the informant's details in the report to the OPI if:

- a) The report/complaint was made under the *Whistleblowers Protection Act 1993*; and
- b) The informant has not consented to the informant's identity being divulged; and
- c) It is not necessary to divulge the identity of the informant to ensure that the matters to which the report to the OPI relates are properly investigated.

Any consideration by the Council of information relating to corruption in public administration or a Council report to the OPI during a Council meeting must be considered in confidence. The grounds under section 90(3)(f) and (g) of the *Local Government Act 1999* may be relied upon to move into confidence for these purposes.

Reporting Fraud

Any Employee or Council member that has or acquires knowledge of actual or suspected fraud that:

- a) Does not constitute corruption in public administration; and
- b) Impacts or causes detriment (or has the potential to impact or cause detriment) to the Council

Must report such information to the Responsible Officer or the Anti-Corruption branch of SAPOL.

A report made under clause 714 may be made under the *Whistleblowers Protection Act 1993* and managed in accordance with Council's Whistleblower Protection Policy.

8. ACTION BY THE CHIEF EXECUTIVE OFFICER FOLLOWING REPORT AND/OR INVESTIGATION INTO FRAUD OR CORRUPTION

Following any report to the OPI or SAPOL under this Policy (or the Whistleblower Protection Policy as the case may be) of which the Chief Executive Officer has knowledge and, subject to the finalisation of any investigation undertaken by the Commissioner or SAPOL, the Chief Executive Officer will undertake a review into the area in which the fraud or corruption occurred to determine the cause for the breakdown in controls and, will report the findings of the review and provide recommendations (if any) to the Council. In undertaking any review, the Chief Executive Officer will have regard to any recommendations received from the Commissioner or the Ombudsman.

In the event that allegations of fraud and/or corruption are substantiated, the Council may take disciplinary action against any Employee who was involved.

9. FALSE DISCLOSURE

A person who knowingly makes a false or misleading statement in a complaint or report under the *ICAC Act* or makes a false or misleading disclosure, under the *Whistleblowers Protection Act 1993*, is guilty of an offence.

An Employee who makes a false disclosure, in addition to being guilty of an offence, may face disciplinary action that may include dismissal.

¹Such conduct may, for example, relate to persons who are not a public officer such as a non-elected member of a Council Committee and/or a member of a Development Assessment Panel.

10. EDUCATING FOR AWARENESS

The Council recognises that the success and credibility of this Policy will largely depend upon how effectively it is communicated throughout the organisation and beyond.

The Council will, therefore, from time to time take proactive steps towards ensuring that the wider community is aware of Council's zero-tolerance stance towards fraud and corruption.

The Council will increase community awareness by:

- Promoting the Council's initiatives and policies regarding the control and prevention of fraud and corruption on the Council's website and at the Council Office;
- Make reference to the Council's fraud and corruption initiatives in the Council's Annual Report; and
- Facilitating public access to all of the documents that constitute the Council's fraud and corruption framework.

11. CONCLUSION

The Council has established a number of procedures to assist with the prevention and control of fraud and corruption. The effectiveness of these procedures will be continuously reviewed and assessed and will remain up to date with any future developments in fraud and corruption prevention and control techniques.

12. AVAILABILITY OF POLICY

This Policy will be available for inspection at Council's principal office during ordinary business hours and on the Council's website www.wudinna.sa.gov.au.
