## 2023 Wudinna Christmas Market

*Christmas  
Lights—  
Best Theme  
Winner*

There was a real Christmas spirit in town this year and so many felt it on the market day held in the centre of town. The hall looked fantastic with its lights in the foyer for December. Market day was a warm one, with clouds gathering all day fingers and toes were crossed that the weather held. We forged on to have a great evening with market and food stalls and businesses open, as well as a visit from South Australian author Joanne Speirs. The band and bar were open on Hyne's Block, thank you Jan and Pat, it worked so well. The committee who

organise everything is a very small group but many volunteered their time to help with set up and clean up, even in the rain. We must also thank all our businesses in town; those that remained opened for the market and those that donated to our auction, we appreciate what you give to our little town.

With live music and Noodles the Clown, everyone was entertained until the rain and thunder hit at 11pm. Father Christmas sat and had photos for a long time listening to all the children. It was great to see so many families out enjoying this evening. We hope to make it bigger and even better in 2024, if you are willing to help in any way join our Business and Tourism meetings to help out.

## The Word for Today

### The Right Attitude

*'For as he thinks in his heart, so is he.'*

**Proverbs 23:7 NKJV**

What separates the best from the rest? Have you ever given that some thought? What separates a gold medallist from a silver medallist in the Olympics? What separates a successful entrepreneur from someone who doesn't make it? What makes it possible for one person to learn and flourish after making a mistake while someone else just gives up? It's attitude!

The Bible says, *'For as he thinks in his heart, so is he.'* (Proverbs 23:7 NKJV). Your attitude can be your greatest asset or your greatest liability. It makes you or breaks you. It lifts you up or drags you down. The right attitude may not let you do *everything*, but it will help you to do *anything* better than you would when your attitude is wrong. The happiest people in life don't undoubtedly *have* the best of everything; they simply try to *make* the best of everything. They're like a person in a remote village who daily goes to the well for water and says, 'Every time I come to this well, I come away with my bucket full,' instead of saying, 'I can't believe I have to keep coming back to this well every day to fill up my bucket!'

Your attitude has a profound influence on your approach to life. Ask a doctor if a patient's attitude can affect recovery time when he or she is healing after an illness. Ask a teacher if a student's attitude has an impact before they take a test. Jesus said, *'According to your faith be it unto you'* (Matthew 9:29 KJV). Like a magnet, faith draws on the strength that God offers.

As of 1 March 2024, new legislation bans the smoking and vaping in a variety of public outdoor areas in South Australia. These new laws, introduced by the South Australian Government, protect the community from passive exposure to tobacco smoke and e-cigarette aerosol. The comfort and enjoyment for users is paramount, and the new legislation addresses the risks associated with passive tobacco smoking and passive inhalation of e-cigarette aerosol. The 10 metre boundary rule applies to outdoor areas in all public areas:

Within childhood services, education and children’s services facilities (including schools)	At outdoor swimming facilities
At and within 10 metres of non-residential building entrances; such as entrances to shopping centres, government and commercial buildings	Within major event venues under the Major Events Act 2013
Within public hospitals, public health facilities, private hospitals and residential aged care facilities and within 10 metres of their boundaries	At and within 10 metres of a sporting venue during an organised underage sporting event, training or practice session
On beaches between and within 50 metres of red and yellow patrol flags and within 5 metres of jetties	

The maximum penalty of \$750 and expiation fee of \$105 applies to a person smoking or using e-cigarettes in a public area declared by the regulations. The occupier (eg owner/proprietor) and/or the organisation responsible for administration of the outdoor public area needs to ensure signs in sufficient numbers are placed in the smoke-free and vape-free area, and in positions likely to be seen by persons within the area. A maximum penalty of \$750 applies if this law is not enforced.

A guide to the new smoke-free and vape-free laws can be found at [A+Guide+for+new+SFOA+-+D10+\(clean\)15Feb24+.pdf \(sahealth.sa.gov.au\)](#)

# Landscape Officer Update—March 2024

## Annual Shorebird Surveys

This year's surveys was kicked off with workshops at Ceduna and Streaky bay. We appreciate everyone that made the time to come out with us and BirdLife and looking forward to the next.

The Western Eyre Peninsula supports up to 21 of the 38 international migratory shorebird species, which travel thousands of kilometres to reach Australian shores every summer.

Thirty western EP count areas from Lake Newland to Cactus Beach were surveyed during February, with hopefully good bird numbers recorded at each site. From rocky platforms to offshore islands, marshy samphires and sandy beaches, these count areas are critical habitat for the feeding, roosting and resting of our resident and migratory shorebirds.

It will be interesting to get an insight of the diversity of shorebirds around our region, many of which are returning to the same shorebird area every year, allowing comparisons to be drawn. Data collected during the surveys is fed into the Birdlife database which contains the most comprehensive shorebird data available in Australia. This data is used to uncover significant population changes over the long term and identify and protect critical areas for shorebirds.

If you are interested in becoming a volunteer bird watcher please get in contact with myself.

## Malleefowl Model at Wudinna Telecentre

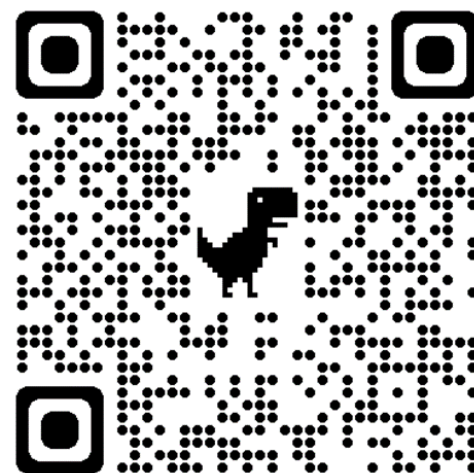

Our Elliston officer, Ian Quinn, has very kindly allowed me to borrow a real life Malleefowl model for some workshops later in March.

Therefore, from the 1<sup>st</sup> to the 23<sup>rd</sup> of March, they will be on display at the Wudinna Telecentre.

I definitely encourage those who have never seen one, or if you're passing by, to pop in. He is quite the looker!

A Malleefowl couple that I spotted early February on Talia Rd.

If you see any Malleefowl, please scan the QR Code to record the sighting on our website.

Data collected through all of our projects (excluding Pix Stix and EP King Tides) are entered into the Biological Databases of South Australia (project number 1322), and is available to the public via NatureMaps. All photos submitted through these projects can be viewed in our albums

## FAREWELL TO THE ANDREW FAMILY

We wish to extend our gratitude to Rachel Andrew for her service at Wudinna District Council. Our best wishes are extended to herself and her family for their new adventures ahead in Port Pirie.

## NEW BY-LAWS — CATS AND DOGS

Council has reviewed its suite of By Laws to provide local level governance. These By Laws became effective 24 December 2023. As part of the review, new By Laws have been enacted in the management and control of Dogs and Cats in the Council area:

1. By Law 5 Dogs 2023  
By Law 6 Cats 2023

The Animal Management Plan 2019 – 2024 called for By Law consideration where many of the regulatory issues that have required Council or RSPCA intervention with Dog and Cat Management arise where there is an excess of animals on a premises or site.

In summary, two dogs or cats are now allowed on any one premises within township zones. Permits for exemptions may be granted on a case by case basis. Permits will be assessed on how animals are managed, any past issues and suitability of a site to host increased numbers. Owners with more than two dogs or cats are asked to make themselves familiar with the new By Laws which are available on the Council website [www.wudinna.sa.gov.au/our-council/by-laws](http://www.wudinna.sa.gov.au/our-council/by-laws), emailing [admin@wudinna.sa.gov.au](mailto:admin@wudinna.sa.gov.au) or by visiting the Council.

Complaints under the Dog and Cat Management Act 1995 will continue to be managed by Council and under the Animal Welfare Act 1985 by the RSPCA. These By—Laws will assist in reducing the potential for issues to arise under these State Acts and have been vetted and approved by the Dog and Cat Management Board and the State Legislative Review Committee.

## The Next Ordinary Meeting of Council will be held Tuesday 19 March 2024

### PILDAPPA ROCK CLOSURE

Pildappa Rock Recreation Reserve will be closed to the general public from Monday, 29 January until Monday, 1 April to allow major civic works to be undertaken. Works will include renewal of the internal track, replacement of drainage culverts, installation of traffic management bollards and reinstatement of the pedestrian track around the perimeter of the rock. Works are being undertaken by Fineys Contracting.

### COMMUNITY REMINDER

We once again remind community members that it is illegal in South Australia to ride a motorbike (particularly dirt bikes) on public footpaths, shared paths and in parks. An increase in this activity has been noted on the Wudinna to Poldra Rock walking trail and within the Poldra Rock Recreation Reserve in recent months. Awareness is raised to the safety risk to trail users and the damage to infrastructure posted by motorbikes.

# No Idea Bike & Car Fun Run

By Veronica Skipworth

The day was a tad hot, so only 3 riders and 2 drivers did the full trip from Wudinna to Port Kenny via Darke Peake. We stopped into Darke Peake where another rider joined in from Pt Lincoln, and 3 people from Cleve in 2 classic cars were waiting for us to have a BBQ and a raffle.

We all travelled through to Lock via Rudall then onto Elliston Hotel where many people from Elliston and a few from Wudinna were enjoying a few cold ales, I sold many raffle tickets to those who thought the fundraising cause was a good idea, there were 10 prizes up for grabs including a few for children.

Arriving at the Port Kenny Hotel about 6pm we were able to settle in to listen to Mortana Band who lived locally from Cala/Murphy's Haystacks area, a wife & husband team sang 70s tunes. More raffle tickets sold and an auction called by Peter Feltus had many people going home with gifts and vouchers from businesses around the Eyre Peninsula including:

Port Lincoln Gourmet Meat Service, Bridgestone Service Centre Port Lincoln, Drakes Port Lincoln, Repco, Burson Auto Parts, Priceline Pharmacy, Lincoln Mowers & Motorcycles, Scallywags Toy & Nursery, Boston Hotel, Grand Tasman Hotel, Pt Lincoln Hotel, Great Northern Hotel, Pier Hotel, Pt Lincoln Mitre 10 Hardware, Zentala Apartment, Cummins Hardware, Cummins Tyre Centre, WSB Distributors, Wudinna Hardware, Emmetts, Wudinna Post Office, Wudinna Foodland, Wudinna Meat Store, Lil' Birdie Gift Shop, Wudinna Family Pharmacy, Willybee Pastoral, and Veronica's Wax Art Paintings.

\$1400 was raised over the day for the Elliston & Wudinna Hospitals through the No Idea Bike & Car Run 2024, and donations are still coming in.

I would like to thank all the businesses who donated, those who participated on the Run and finally the people who assisted with raising the money we did. Thanks also go to 5CC Radio for advertising the event on the Morning Show with Brett, the local news and to Luca Cetta who wrote the article in the EP Advocate & The Times newspapers.

To those who weren't able to attend last weekend's No Idea Run event, if you would like to donate towards the Elliston & Wudinna Hospitals Event you can still do so by messaging Roni Skipworth on 0428 155 433.
